Would Make Satan Blush.

The convention of republican clubs of the state of Ohio endorses Senator Foraker for the presidency, and commends his course in defending the "helpless" negro soldiers of the Twenty Fifth Infantry, "who had served their country with valor and distinction." The negroes for whom this sympathy is expressed were armed with Springfield rifles and provided with government ammunition. They raided sleeping Brownsville and shot everything they saw. Members of the company, not engaging in the rampage, but who saw those that were, return to the post after their murderous mission, were given every opportunity, under pain of dishonorable dismissal, to testify. The resolution of the republican clubs of Ohio is shameful enough to make even the devil blush—Beeville Bee.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
